

ALCOHOLISM

Alcoholism is a rough word to deal with.

Yet nobody is too young (or too old) to have trouble with alcohol.

That's because alcoholism is an illness. It can hit anyone.

And it doesn't matter how long you've been drinking or what you've been drinking. It's what drinking does to you that counts.

To help you decide whether you might have a problem with your own drinking, we've prepared these 12 questions. The answers are nobody's business but your own.

If you can answer yes to any one of these questions, maybe it's time you took a serious look at what your drinking might be doing to you.

And, if you do need help or if you'd just like to talk to someone about your drinking, call us. A.A. — it works. Check your phonebook, newspaper or aa.org.

- A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.
- Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
