HOT LINE VOLUNTEERS NEEDED

Work From Home!!!

Central Office’s most crucial role is to maintain a 24x7x365 hotline – to always be there when anyone reaches out for help. We would not have a hotline without our 40+ AA member volunteers!

80% of the calls will be to check meeting times on the Western Slope of Colorado; the other 20% will be individuals or families desperate for help.

This is our primary purpose and the most rewarding of service work.

Commitment: Every week, same day, same block of time, for two years. If you can’t commit to answering EVERY call (even if it looks like a robo call!) during your time block, please don’t volunteer. Having an AA Member pick up the phone is literally the most important services we offer.

***If you can spare a few hours a week
to help the still suffering alcoholic,
please contact Central Office at (970)
245-9649.***
