Dear Western Slope AA,

The Alkathon was fantastic. I hope you had a chance to attend one of the Zoom meetings. That was a great way to start off the new year!

The Western Slope Intergroup covers the Western half of the State of Colorado. Teresa, Kriss and a host of volunteers help to ensure that when anyone anywhere reaches out for help to the Western Slope Intergroup, the hand of AA is always there!

In one recent case a sheriff called to see if someone could bring a meeting to a jail in the Durango area. Teresa knew just the person to put them in touch with. The Western Slope is a vast area. The geographical area is bigger than Maine.

It gets a little smaller and the fellowship gets a little closer when groups send Intergroup representatives to participate in our meetings. The connections that are made are as important as any item on the formal agenda. Intergroup reps discover how other groups are operating and learn from their experience.

Groups sharing their respective experience is how the AA Traditions came about. The traditions were hammered out on the anvil of experience.

Tradition Four states that each group is autonomous. That is true, but if I see something working in another group, I bring it to my home group for discussion.

If your group does not have an Intergroup Representative, consider asking for someone to stand for that position. It is a great service opportunity and a great way to gain an understanding of the AA service structure. If you want to get involved in the Western Slope Intergroup, give them a call at (970) 245-9649.

Yours in service,

Doug T. Intergroup Chair

WESTERN SLOPE NOTES 2020

Step 3

Made a decision to turn our will and our lives over to the care of God as we understood Him.

Tradition 3

The only requirement for AA membership is a desire to stop drinking.

Step 4

Made a searching and fearless moral inventory of ourselves.

Tradition 4

Each group should be autonomous except in matters affecting AA as a whole.
