Hello Western Slope Folks!

It is time again to say hello and see what is going on in your side of the state. Our Central Office covers half of the state! We are so glad to have all the support from all the groups in the Western Slope! Our hotlines have been very busy the last few months, and happily the 12- step calls have been going out frequently! I hope you all are getting some new people to work with! Teresa and Kriss are amazing to watch in action, they're very busy helping the alcoholics who still suffer, and we pray that the message and groups can carry our message of hope to these still suffering people! I did get feed back that one woman called almost ten people before getting a response to a 12th step call. Make sure if you have a cell phone, if you are on the 12-step call list, to not disregard an unknown number. We are in hopes that they would leave a message and you can call back in a timely fashion, I just wanted everyone to be aware of this.

Coming up in April on the 11th your Central Office will be on the Road to Gunnison, CO. We hope to meet some of the folks from there and explain what we do at our Central Office. More details to follow I am sure. Normally we meet around noon, a potluck ensues, and we then have our Central Office 101 presentation, followed by our business meeting. Location currently is still not know to me.

Sue B is having her first committee meeting for ColorDaze on March 14th at 11:30 am at the Alano Club in Grand Junction. Anyone interested in helping please attend. I am sure this year is going to be a wonderful time for our annual Central Office fundraiser, and this really helps us to keep the services we have coming to you.

In closing I would like to remind all of us in service that this is a wonderful opportunity to help, you are the hand of AA and whenever anyone anywhere reaches out for help, we want the hand of AA to always be there, and for that, I am responsible.

Yours in service,

John T.
