Well here's the notes!

A huge thank you to District 2 and their amazing efforts at Summer Assembly that was superb! A huge thanks to all the groups that helped with the hospitality suite, WOW, a great presentation, and boy can we eat! It was a wonderful event! We went through a whole case plus of books on "Our Great Responsibility" the whole event was great service experience for all!

Next up will be our own event, ColorDaze! September 20-22 you can register online at [colordaze.com](http://colordaze.com) forms for the event can be found on our website and downloaded as well for a mail in the feature. As always this is Central Offices biggest fundraiser of the year, save for our group support which is always the biggest way we stay self supporting!

By the time this goes out, our State Assembly will be happening. Thank you District 17 for all you do as well. I know Teresa will be at the Central Office table and is bringing cases of books. We hope all attending will have a wonderful time and share their great recovery and enjoy the fellowship.

Yours in Service,

JT

## **We cannot Skimp**

With the realization that A.A. must steer clear of outside contributions in order to maintain its autonomy and independence came the understanding that the money necessary for A.A.'s survival would have to come from individual A.A. members and groups.

As Bill W. put it in 1957, 'Our spiritual way of life is safe for future generations if, as a Society, we resist the temptation to receive money from the outside world. But this leaves us with a responsibility— one that every member ought to understand. We cannot skimp when the treasurer of our group passes the hat. Our groups, our areas, and A.A. as a whole will not function unless our services are sufficient and their bills are paid.'

We would like you to share your A.A. anniversary with the fellowship.... Just let us know when that is and we will get it in the Newsletter

A drunk walks into a bar, sits down and demands a drink.

"Get out" says the bartender. "I don't serve drunks here".

The drunk staggers out the front door, only to come back in through the side door. He sits at the bar, bangs his fist and demands a drink.

"I just told you to get out, didn't I? Now LEAVE!".

The drunk gets off his stool, stumbles out the side door and, comes back inside through the back door. Once again, he sits at the bar and loudly asks for a drink.

The bartender, now glowing mad, looks at the drunk and yells "I TOLD YOU, NO DRUNKS ALLOWED, NOW GET OUT!!!".

The drunk looks up at the bartender and slurs "How many bars do you work at, anyway?".

## Step 9

Made direct amends to such people whenever possible, except when to do so would injure them or others.

## Tradition 9

A.A.as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve

## Step 10

Continued to take personal inventory and when we were wrong promptly admit it.

## Tradition 10

Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
